

# LONG-TERM PARKING PERMIT

Over 4 days, or in a zone. Only valid if printed on green paper.

Date Issued	Date Expires
-------------	--------------

Owner and Cosigner Together	<input type="checkbox"/> CRM shows owner is in the active member list.
	<input type="checkbox"/> Expiration date is written long enough that no extensions will be needed.
	<input type="checkbox"/> There are no scheduled events on the calendar which might need the space. (Alternately, if there's a scheduled event, you've checked with the event organizer.)
	<input type="checkbox"/> The owner has a way to physically remove the property from i3 when done.
	<input type="checkbox"/> The owner understands that it is their responsibility to remove the property by the expiration date; anything left after will be able to be ticketed.
